

Southwest 4-H presents....

4-H Agronomy Day

Join us for the 4-H Agronomy Day to dive into all things agronomy! We will have hands-on sessions and tours that will teach us more about the agronomy industry here in Minnesota. You will learn new tidbits that will be useful in 4-H projects, future careers and more!

WHO: All youth in grades 3 and up
AND parents/adults interested in learning more about Agronomy

WHEN: Saturday, March 9, 2019
Registration begins at 8:45 a.m., event runs from 9 a.m. – 3:30 p.m.

WHERE: [Ridgewater College, Willmar MN](#), Agriculture Building

COST: \$5 (this includes all supplies and lunch)

HOW: Go to z.umn.edu/4-HAgronomyDay to register by February 21
(ALL youth and adults planning to attend need to complete the registration!)

WHAT: Did you know 4-H and Agronomy go hand in hand? Join us to participate in a full day of Agronomy exploration! The day will include in-depth sessions of your choice, industry speakers, keynote speaker the [Minnesota Millennial Farmer](#) and hands-on exploration. Be sure to sign up for our door prizes to win from a selection of farm toys!

For our morning sessions, participants will choose 2 of the following stations:

Livestock Feed Digestion

Grain Grading & Handling

Soil Structure

Sugar Beets in Minnesota

QUESTIONS? Contact Brian McNeill at mcnei006@umn.edu or your local County 4-H Program Coordinator.
