## CAMP TRACKS

### **Build a Better Mousetrap**

Do you like to tinker, invent, and explore new gadgets? Learn about simple machines, design thinking, and engineering while planning, designing, and building a spectacular Rube Goldberg machine.

### **Hammer Time**

Do you like working with your hands? Campers will learn about woodworking and will even build a useful item to bring home.

### **Imaginative Creations**

Use your imagination to create a variety of crafts using many different methods. Bring home your unique creations.

### **Moo, Cluck, Baa!**

Animal Science is a backbone of Minnesota Agriculture. Campers will explore different animal science project areas through hands-on experiences. Learn how unique animals can be!

### **Straight as an Arrow**

Have you ever wanted to learn how to shoot a bow and arrow? Here is your opportunity to learn the art and skill of archery. This is limited to the first 12 youth.

### **Weeds, Feeds & Seeds**

Explore agronomy through weeds, feeds, and seeds! Learning about forages, growing plants, and where our food comes from are just some of the topics we will cover.

## CAMP EXPERIENCE

An educational and recreational program offering enhances the experience through a rewarding opportunity uniquely situated in a natural setting. Each session offers different topics and varied program lessons.

Campers participate in:

- Hands-on learning activities
- Interactive outdoor opportunities
- Recreational large group events
- Small group discussions

4-H program staff and teenage youth counselors will provide leadership for all camp activities. Camp staff provides positive learning experiences based upon research that meets the key elements of youth development: Independence, Belonging, Generosity, and Mastery.
