

WHAT CAN I DO IN 4-H?

In 4-H, youth design and lead their own learning opportunities guided by adults. This unique, learn-by-doing youth development model teaches kids essential 21st century skills, such as problem solving, communicating, coping, decision making, and responding to the needs of others.

4-H offers projects and activities in:

- Science, Technology, Engineering & Math (STEM)
- Science of Agriculture & Gardening
- Citizenship & Leadership
- Healthy Living
- Expressive Arts & Communication
- Family & Consumer Science
- Environmental & Earth Science
- Shooting Sports & Wildlife

Most popular projects:

- Photography
- Crafts & Fine Arts
- Food & Nutrition
- Wood & Metal Shop
- Clothing & Textiles
- Flower Gardening
- Vegetable Gardening
- Horse

YOUR FIRST U OF M CLASS

It's easy to see why 4-H, part of the University of Minnesota Extension, is like a 4-H'er's first University of Minnesota class. 4-H's research-based curriculum and learn-by-doing approach, delivered by experienced youth development staff and more than 13,000 trained volunteers, helps kids succeed.

4-H PLEDGE

"I pledge my HEAD to clearer thinking, my HEART to greater loyalty, my HANDS to larger service, and my HEALTH to better living; for my family, my club, my community, my country, and my world."

UNIVERSITY OF MINNESOTA
EXTENSION

4-H prepares youth to learn and lead in their school, college, communities and careers.

Did you know? According to a national study by Tufts University, 4-H'ers have better grades, are more engaged with school, are more likely to see themselves going to college, and are less likely to have risky behaviors.

HOW CAN I GET INVOLVED?

JOIN A 4-H CLUB

4-H clubs are groups of youth who meet regularly to work on 4-H projects, perform community service, develop leadership skills and learn to work together. Guided by one or more adult leaders, a club can be any size, from a small group of neighborhood kids to a large group from a school or county.
