We are thrilled you decided to attend one of our many 4-H events. We want to hear about your experience! The completion of the Bring it Back form is required by the Brown County 4-H Federation for youth to receive registration reimbursement from pre-approved events such as 4-H Camp, BLU, YELLO, National Events, etc. Generally, reimbursement amounts are noted as ‘up to 50%’ of the early bird registration fee; however, some events such as nationals have limited financial support assigned to them. For more information, please call the Brown County Extension Office at 507-794-7993. Youth are required to give a presentation at either their local club meeting, demonstration for the county fair, or at a Brown County 4-H Federation meeting. Must be signed off by a club leader, club president, Federation president, or 4-H program coordinator.

**Please complete this form and return it to the Brown County Extension Office 30 days after your presentation and no later than August 15th!**
