Club Project Questions for Virtual Judging

Welcome

Because registering or entering a project for a virtual judging is very much like an actual “Entry Day” at your county fair, you will need to have your exhibits completed prior to registering. This guide will help you prepare. General Project entry opens July 6 and closes July 22. Contact Michelle (M-F 9-5 pm 507-375-1275, afterhours 507-304-3280) if you are having trouble uploading photo’s or your video.

Video Submissions

Video Needs

Please use the following structure for your video:

1. Introduction - Introduce yourself to your audience using the introduction questions below and anything else you think is important for the judge to know right away.
2. Process - Use the remaining time in your video to address some of the additional questions provided below.

Club Project Questions

Some or all of these questions (or similar questions) may be included in your video.

1. Introduction: Please introduce yourselves and your club. How many club members were involved? How did your club come up with the overall theme or goal of the project?
   a. For community pride specifically: What community need did you identify and how did you learn about it?
2. Process: What was the planning process? How did you make group decisions? What roles did different club members have in completing the project? How did you overcome challenges?
3. Generalize: What skills did club members gain by completing this project? How did the project help members learn about one another and strengthen the club?
4. Apply: How does this project promote 4-H within your community?
5. For community pride specifically: How did the community benefit as a result of the project?
6. Other: Is there anything else you would like to share about this project?

Club Project Questions

1. Introduction: Please introduce yourself - your name, your grade, how long have you been involved in this project area.
2. Share: Talk about your project - what it is, why you made it, the steps involved, why did you choose it?
3. Process: What have you learned from your work on this project? What did you do well? What would you do differently?
4. **Generalize**: What new skills have you learned?
5. **Apply**: How will you use the skills you have learned in other areas? How can you keep learning more about this project area?
6. **Other**: Anything else you would like the judge to know.

**A Final Word**

While we understand that photos, documents and videos cannot fully replace the actual exhibits, the virtual fair environment is intended to allow a judge to see and learn about the skills a 4-H member has developed throughout this past year resulting from their 4-H experiences.
