

MAHNOMEN COUNTY 4-H

We want YOUTH!

In 4-H, youth design and participate in their own programs and activities. This unique, learn-by-doing model teaches kids essential, transferrable skills that they'll use throughout their lives, such as problem solving, decision making, coping, communicating and responding to the needs of others.

Whether youth are building rockets, raising dairy cows, or writing musical plays, 4-H gives them the skills they need to succeed in life.
