Use a separate record book for each species you exhibit.

- 1) Please fill out all applicable tabs in this workbook (there are 8 total tabs including this one)
- 2) When finished, please print the workbook, or submit the file to 4-H staff to check for completion
- 3) If you find a cell's formula is incorrect, please contact 4-H staff

Reflection Questions:

What were your goals for this project - and how did you meet them?

What traits did you look for when choosing your animals?

What traits would you change in your animal if you had the choice?

What is something that did not go as planned with this project?

Please tell us about the highlight of your project this year

What are your plans for next year for this project?
