

2020 Rice County 4-H Virtual Judging Platforms

Cloverbud Projects

This year, there will be a limit of 3 entries. Your projects will be virtual judged using Flipgrid. After you have entered your exhibits on FairEntry, you need to create a video and post it to FlipGrid.

VERY IMPORTANT - read the following guides before you begin entering your entries into FairEntry:

FairEntry – [Rice County Registering/FairEntry Family Guide](#)

FlipGrid - [Guide for Families](#) - (student ID code given in email) [Video example](#)
