

# Youth Interest Survey

Mahnomen County 4-H

May 2017

4-H is an organization that can help you learn about things that interest you in fun and exciting ways. It also give you the opportunity to make friend and learn to work with others.

To help us plan for programs that interest youth, we need your ideas. If the following youth programs were available in your area, which ones would you be interested in? Please **circle the 5 topics** that you would most likely participate in.
